## Invest in Your Community's Future

Each year, the YMCA of Eastern Ontario works to inspire the future of our region by ensuring that everyone – regardless of age, background, or financial circumstance – has access to the programs and supports they need to thrive.

Your YMCA is more than a place to work out. It's where children build confidence and friendships, where teens find mentorship and belonging, and where older adults stay active and connected. It's where young people rediscover their potential through guidance and support, where families find stability and care during life's challenges, and where individuals working toward new beginnings are met with compassion and opportunity. Together, we're building stronger, healthier communities across our region.

We're excited to announce the **2026 YMCA of Eastern Ontario Community Classic**, taking place on **Monday, October 5<sup>th</sup>**, at **Cataraqui Golf & Country Club** in Kingston - ranked among Canada's Top 100 courses by SCOREGolf . This event brings together community leaders, businesses, and YMCA supporters for a day of camaraderie, connection, and giving back – all in support of programs that change lives.

Thanks to the generosity of sponsors and donors, last year the YMCA delivered measurable community impact:

- 327 subsidized weeks of summer camp for local kids
- 30,000 meals for children and teens
- 6,700 visits to at-risk teen programs
- 408 aquatic leadership certifications
- 2,048 days of housing through our Hearthstone housing project
- 25 high school credits earned through our Student Impact Program (90% attendance rate)
- Financial assistance to 1 in 4 participants

Your support in 2026 will continue to provide access, opportunity, and essential supports for children, families, seniors, and individuals across Eastern Ontario.

## About the YMCA Eastern Ontario

The YMCA of Eastern Ontario is a charity that is passionate about creating opportunities and advancing the well-being of the communities we serve. The YMCA does this by developing healthy and successful people who in turn create a positive impact in their neighborhoods. The Y is Ontario's largest non-profit provider of childcare with trademarked curricula. It offers fitness, aquatics and other specialized programs including Work Hard Eat Well, Total Life Care, the Student Impact Program and others.
