

YMCA Membership Assistance

The YMCA strives to include all members of the community. Through the YMCA Annual Giving Campaign: Strong Communities, individuals and families can apply for financial assistance in order to participate in YMCA programs and services they otherwise could not afford. We believe as a charity is that no one should be denied access to any YMCA program or service based on their financial circumstances.

How is the Membership Assistance Program Funded?

YMCA Membership Assistance is funded by a combination of sources including the YMCA Annual Giving Campaign. Donations made to the YMCA Annual Giving Campaign are used directly in our community.
