Sanitize all equipment before and after use. Consider bringing your own mat.

Class Descriptions

Barre Fitness- A hybrid class combining elements of Ballet, Pilates, Yoga and muscular conditioning. Challenge your balance, flexibility, strength and muscular endurance using body- and light weights.

Cardio Blast- Produces a high caloric burn and full body toning through its carefully formulated choreography that alternates between cardio and toning tracks. See real results both physically and mentally, and leave this class wanting more because it is so much fun!

CSI (Cardio Strength Intervals)/ Tabata- Using HIIT (High intensity Interval Training) you will be pushed through cycles of low to high intensity exercises with intermittent rest periods. An effective, induced fat loss training method.

Cyclefit- A cycling aerobic workout done on a stationary bike. Your instructor will lead you through a series of hills, sprints and drills.

Early Bird Bootcamp- Variety, fun and intensity is the name of the game. If you want to be pushed hard, get strong and achieve new fitness goals, this is the class for you. This class is taught by a couple of different instructors who each bring their own flavour and personal best to make you sweat!

Gentle Stretch- Be kind to your body, it deserves it! Enjoy 50 minutes of quite gentle stretching while improving flexibility.

Pilates- An emphasis is placed on the abdominal and back muscles, focusing on postural realignment.

Rip- Grab a body bar or our plates and bars and get ready for an hour of fun and muscle conditioning fitness.

Senior Fit- A certified personal trainer will give you a full body workout using full range of motion and balance exercises providing lots of options and modifications for all levels.

Step- A traditional step class using the bench with all the options you will need for a great workout!

TBS (Total Body Sculpt)- Gives you a dedicated workout for each of the 3 main areas of your body to individually tighten and firm your arms and shoulders, legs and glutes and your midsection, giving you a slender and toned physique.

Yoga- Allow yourself to relax and decompress in a Yoga class. Each instructor is unique in their practice, so try them all out to find the class that resonates best with you.

Yoga for Fitness- Emphasis is on the physical postures and is designed for proper body alignment, strengthening, balance, flexibility and relaxation. Recommended for more intermediate/advanced levels.

Zumba- A Latin-inspired dance-fitness class that incorporates international and pop music, creating a dynamic, exciting and effective workout to leave you smiling all day long!
