**Love Yourself, Actually** All ages

It's time to give yourself a big hug by doing something you love! What do you do that makes you feel good? Curl up with a good book? Sweat to the oldies? Gab with friends? Learn something new? Let's be good to ourselves by doing our favourite things. We can create a virtual community of exercisers, readers, crafters, knitters, writers, whatever-ers and share what we're up to during February (For-ev-uary – am I right?). Register yourself or your virtual group to let us know what you will be doing for yourself this month, share photos or videos (using #loveyourselfactually and tagging the YMCA of Eastern Ontario) and we'll create photo albums and share your activities with others so we can all be part of a great beehive of positivity. We will have draws for prizes so be sure to use #loveyourselfactually and tag us in your posts.
