# Welcome!

We are delighted to bring you our program guide, filled with activities and programs for all ages and abilities.

The YMCA is more than a facility. It is a movement dedicated to the growth of all persons in spirit, mind and body, and to their sense of responsibility to each other and the global community. Building healthy communities through the power of belonging stems from our values of caring, honesty, respect, responsibility and inclusiveness. These are central to our mission, guiding our behaviours, attitudes and actions.

When you join the Y, you become part of this mission, helping strengthen your community not only through your own journey, but also by bringing programs and services to children, youth, adults and families who may not otherwise be able to access them.

The YMCA of Eastern Ontario is a charity that is committed to giving everyone an opportunity to take part in healthy programs, access safe spaces and build positive social connections.

## Where there's a will, there's a Y

Let us help you on your fitness journey, no matter where you may be along the path.
