

Prescott Pool

2026 Aquatics Programs

Registration opens April 30 at 9 a.m.
on a first-come, first-served basis.
eo.ymca.ca/onlineregistration

St Lawrence Street, Prescott

Whether you are a returning patron or are new to our pool, we are excited to welcome you this season. The information in this package will prepare you for participating in our programming this summer.

Please take the time to review prior to registering for programs and visiting our facility.

Registration

Online registration is available on our website at: eo.ymca.ca/onlineregistration

Registration opens for all 2026 Prescott aquatics programs at 9 AM, on Tuesday, April 28.

Full payment is required at the time of registration. If the program you are interested in is full, you have the option of putting your name on a waiting list. If a space opens, you will be contacted to confirm your registration or to pass the spot to the next-in-line.

For questions, email thomas.macmillan@eo.ymca.ca or call (613) 342-7961

Prescott Pool

Swim Lessons

If your child has completed levels in the Lifesaving Society program and wishes to continue with swim lessons, below are some helpful conversions and descriptions to register them accurately. We understand that you may enroll your child in what ends up being the incorrect level, and we will do our best to ensure that your child has a positive experience.

Our Prescott program is divided into two sections:

- 1. Preschool**, which includes Bobber, Floater, Glider, Diver, Surfer & Jumper
- 2. Child**, which includes Otter, Seal, Dolphin, Swimmer & Star 1-6

Preschool classes are taught in combination, so completing one level means children should remain in the same class to build skills in the next level. This is similar to the Preschool A/B, C/D/E classes taught previously through the Lifesaving Society. All children will receive a report card digitally at the end of every session which indicates which level they are prepared for next.

Don't hesitate to reach out to our membership team if you have any questions.
