2023 Summer Day Camps

Create lifetime memories & enhance self confidence.

We start the day off with a song to get all of our campers excited and ready for the day. Each of our camps have their own specialty activity throughout the day that will surely get them moving.

Campers participate in a range of activities that include cooperative games, arts and crafts, environment-based programs, and recreational activities and sports.

Before we finish off the day, we spend time to reflect on our campers achievements and highlights, followed by an end of the day camp cheer.

Staff will assist campers in re-applying as needed throughout the day.

Camper behaviour

The rules and expectations of the camp will be introduced on the first day and reviewed each day as part of the morning routine. Camp staff will communicate any concerns to parents so that we can work together to solve problems before they escalate. If the camp supervisor has found that the camper does not adhere to the safety guidelines or rules of the camp and/or is a risk to themselves or others, the camp supervisor reserves the right to ask that camper to be removed from camp.
