Welcome to the Kemptonville Pool 2024 Season!

Whether you are a returning patron or are new to our pool, we are excited to welcome you this season. The information in this package will prepare you for participating in our programming this summer. Please take the time to review prior to registering for programs and visiting our facility.

Changes to Kemptonville Pool Leadership

The YMCA of Eastern Ontario is pleased to have partnered with the Municipality of North Grenville to manage the Kemptonville pool. Your YMCA has been working closely with North Grenville and members of the community to make this an easy transition. You will continue to recognize familiar faces and see similar features, with some new staff members, programming, and scheduling to provide a positive experience. The most recognizable change is that Kemptonville will no longer offer the Lifesaving Society Swim program, but rather the Y Swim Program. This will create consistency with other YMCA facilities while being easily transferable using the information on the following pages.

Please don't hesitate to reach out to Emily Wimpenny or our membership staff, if you have any questions relating to swim lessons.

Use of Equipment

A limited number of PFDs and goggles are available to borrow.

Public, Family, and Adult/Lane Swim

The most up to date schedule for public, family, and adult/lane swimming is available on the YMCA of Eastern Ontario website, on the “What We Offer” page at eo.ymca.ca/what-we-offer. We have returned to a pay-at-the-door system (cash only) with no requirement to reserve tickets in advance.

Thunderstorms, Rain, and Other Interruptions

In the event of thunder or lightning, lessons will be stopped for 20 minutes after the last clap of thunder and 30 minutes after lightning. In the event of a thunderstorm, you are welcome to call the pool to ask about the opening status. In the event of pouring rain, the pool will be closed if staff on duty are unable to clearly see the bottom of the pool. We are unable to make up group lessons missed due to thunderstorms, mechanical problems or necessary maintenance procedures (such as pool fouling) and no refunds or credits will be issued.

Registration

Online registration is available through our website at: eo.ymca.ca/onlineregistration

We will open registration for all 2024 aquatics programs at 8 a.m., Tuesday, April 23. Full payment is required at the time of registration. If the program you are interested in is full, you have the option of putting your name on a waiting list. If a space opens, you will be contacted to confirm your registration or to pass the spot to the next-in-line.

Unforeseen Circumstances

Due to the unpredictability of COVID-19 (protective measures), weather and pool maintenance issues; pool programming and safety requirements are subject to change.

Y Swim Program

Introduction to the Y Swim Program

Welcome to the Y Swim program! If your child has completed levels in the Lifesaving Society program and wishes to continue with swim lessons, below are some helpful conversions and descriptions to register them accurately. We understand that you may enroll your child in what ends up being the incorrect level, and we will do our best to ensure that your child has a positive experience.

Our program is divided into three sections;

- **Parent & Tot**, which includes Splasher & Bubbler;
- **Preschool**, which includes Bobber, Floater, Glider, Diver, Surfer & Jumper;
- and **Child**, which includes Otter, Seal, Dolphin, Swimmer & Star 1-6

Preschool classes are taught in combination, so completing one level means children should remain in the same class to build skills in the next level. This is similar to the Preschool A/B, C/D/E classes taught previously through the Lifesaving Society. All children will receive a report card digitally at the end of every session which indicates which level they are prepared for next. Don't hesitate to reach out to our membership team if you have any questions.
